## 1. *Cuberdons*

The traditional Belgian cuberdons have a flavour based on the aromas of strawberry and red fruit in combination with Arabic gum, a rare natural product from Soudan. It has a typical triangular form which is baked on a very low temperature, to keep the fluid masse insight nicely syrupy. Fresh cuberdons have a thin sugar crust which becomes thicker week after week.

## 2. *Belgian's finest*

- Belgian's finest: serie 1

A selection of our classics: crispy rolled cookies, sugar puff pastry, almond flavored slices and apricot lattice slices. 4 tempting varieties you must try!

- Belgian's finest: serie 2

A mixed case of individual wrapped "goodies": 6 pc almond flavoured slices, 5 pc cocochoc, 5 pc caramelized cookies, 4 pc apricot lattice slices.

## 3. *Neuhaus pralines*

These Belgian chocolates are second choice chocolates but this doesn't mean the quality and flavour are bad. Moreover these chocolates were a commercial success in the past and we are sure they will be so again. What makes these chocolates second choice is that there are little production faults in their shape but the quality is the same as in the shops. We are able to buy them at a low price from Neuhaus, an international company specialised in the production of chocolate products.

The chocolates will be sold in packets of 60gr, 250gr and 500gr. The packets contain 6 to 8 different types of chocolates. You can choose the ones that you want at the time of purchase.

#### 4. *Hellal sweets*

#### 5. *Belgian Lotus cookies selection*

- Traditional Belgian Waffles with rich dark Belgian chocolate on one side
- Frangipane pastries feature a cake-like filling with apricot jam inside an almond-flavoured shell and topped with an icing swirl
- Carré confiture: Made in true Belgian culinary tradition, try the sweet tanginess of ripe apricots with a light puff pastry to create a rare gourmet experience.
- Parisettes are a great base for a variety of desserts because their deep waffle-patterned pockets soak up your delicious toppings.
- Madeleine: a sweet soft cake, delicious with jam or whipped cream

Sold individually or in a gift package.

#### 6. *Belgian Waffles*

These are real Belgian waffles. They are so delicious that you could eat so much of them.

#### 7. *ICE TEA*

Ice tea is a form of cold tea, often served in a glass with ice. Refreshing beverage with tea extract. Ingredients: carbonated water, sugar, tea extract (0.32%), acid (citric acid), acidity regulator (trisodium citrate), lemon juice from concentrated juice, aroma, antioxidant.

## 9. 3 pack Jules De Strooper biscuits

This pack includes:

- Almond Thins :  
A very delicate biscuit based on pure butter, candy sugar and ripe soft almonds from Valencia.
- Butter Crisp:  
The butter crisps used to be a typical new-years-gift in Flanders wishing people good luck, so you could call them lucky biscuits. In fact every family used to bake its own butter waffles. This tradition dates from the 17<sup>th</sup> century.
- Butter Crumble:  
The founder's son, and grandfather of today's manager of Jules De Strooper, based his recipe of this real Belgian wafer on exquisite vanilla and pure butter.

## Non-food

### 1. Bath and shower products

Bath products of high quality for an attractive price will let you relax while taking a shower or taking a bath.

a. Leader Shampoo fruit

b. Lait de pêche nectarine (shower gel)

### 2. Wish cards

Since the prior sale of wish cards went well, we decided to sell a similar product. For this we have chosen birthday cards. To obtain a creative design yet again, we would like to brainstorm about possible original designs. We would like to achieve this by organizing a contest between the students of our school. The winner will receive an award with his design as a reward.
