

Here is our product catalog. We have to offer postcards and badges. Half of our income goes to charity for WWF, to protect the nature and animals of the Baltic Sea.

Badges diameter is about 5,8 cm. Postcards are basic sized.

We are going to add more products later so we can send an improved catalog later. (For example we are going to have fabric shopping bags with decorations).

We have 1-2 week delivery time if you order postcards and 1 week delivery time if you order just badges (Delivery time can be longer depending on post times to there).

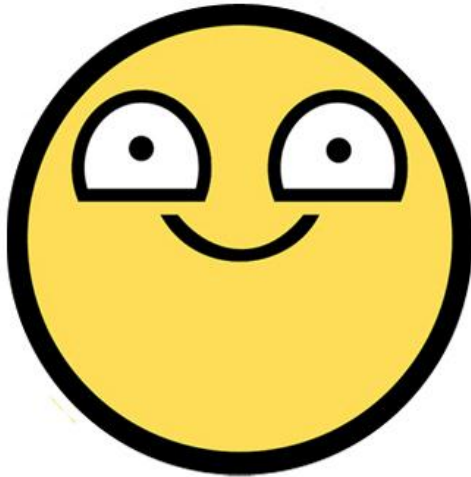

Prices for badges is 2€ per one badge and postcards are 1.95€ per card. You can also send your own ideas for badges and cards. We take 1€ more for making the product with the design you have made. You can send pictures or text to place on postcards. If you order more than one product with your own design the rest products will be normal priced (1€ is taken for fitting your idea to our products).

If you order over 10 badges the price for one is 1.95€ and if you order more than 20 price is 1.90€ for one. If you order over 10 postcards you get them 1.90€ per one. Postage fee depends on how many products you order. We will count it for you when you send the order.

When you order the products remember to write clearly how many and name products you want. Send orders to: Finnfun@Sedu.fi

Best regards, Finn Fun
