Objective

Hysys has been set up within the framework of the **Empresa Joven Europea** educational project with a learning purpose that will enable its members to:

- Learn and implement co-operative values such as fairness, democracy, equality, solidary.
- Manage a co-operative project:
 - a. Share tasks and resources.
 - b. Positive interdependence.
 - c. Group results.
- Set up and manage a company for the first time.
- Establish a relationship with a partner cooperative and exchange products with them.

Joining

The Hysys members are students who have agreed to work with the EJE CENTRAL CO-OPERATIVE REGISTRER. This co-operative has not been legally established. However, it will be registered with the EJE CENTRAL CO-OPERATIVE REGISTRER and will be managed in accordance with the rules governing a real co-operative. Our cooperative will encourage the participation of all the members and it will be managed by the members themselves. It will belong to the student members and it will contribute to their training.

Share capital

- The money of the share capital is the money of the members.
- Each member of the group must contribute 8€.
- When all of the members of the group have paid the fees, they will receive a document certifying their membership.

Reimbursement capital of the share capital

- In the end of the course 10% of the benefits will be devoted to a charity and the remaining money will be distributed among the cooperative members.

Member's right

As a member you have the right to:

- Help co-op,
- Vote in elections and pass a decision.
